Don't you feel a change a coming
from another side of time
breaking down the walls of silence
lifting shadows from your mind
Placing back the missing mirrors
that before you couldn't find
filling mysteries of emptiness
that yesterday left behind

Mr. Paul W. Skeen

Superintendent's Message

I congratulate you on having completed the necessary requirements for graduation from Haysi High School. I hope you will continue your education beyond the high school level so that you may be able to meet the challenges and complexities of our modern age. I urge you to develop your potential to the fullest, to make the most of every opportunity and do your best in whatever endeavor you may pursue.

May you so live your life that you will bring honor and credit not only to yourself but to all your loved ones. My best wishes to you.

Sincerely,

Paul W. Skeen

Note

We would like to say that the annual staff has worked long and hard . . . we have overcome and we, together, put out a good yearbook.

Now when we look at our work, we get a good feeling - one we hope you'll share. It's what this book is all about . . . it's called a "natural high."

Foreword

It gives the annual staff great pleasure to present to you the 1974 edition of the THUNDERBOLT.

The purpose of an annual is to give its viewer pleasure and bring back happy memories. We hope this annual serves its purpose well for it was put together with care and with the desire to please.

We would like to extend our sincere appreciation to our sponsor, Mrs. Kathy Slusher. Without her outstanding help and guidance this publication would have surely been impossible.

Dedicated To

We, the annual staff of Haysi High School, wish to show our appreciation to Sylvia Evans for her outstanding efforts toward the betterment of our school by dedicating our 1974 THUNDERBOLT to her.

Though Sylvia has been here only two years, she has brought about remarkable changes in the attitudes of her students and acquaintances. She has stirred up student participation in school events. Through her efforts the Pep Club has come to be a truly functioning organization which is eager to cheer our athletes on to success. Sylvia has shown her students and others the meaning of art and beauty. Though she teaches English, her students somehow end up having a discourse in philosophy and experiencing a few "sessions" in art and music appreciation.

Sylvia's main interests include philosophy and religion, which she enjoys discussing immensely. She also enjoys art, music, rapping with friends, and generally having a fine time. The annual staff would like to wish her a long and happy life in which to continue enjoying these and many other things.

Sylvia, you've been wonderful and as one means of showing you our appreciation we deidcate to you the 1974 edition of the Haysi High School THUNDERBOLT. Mày Peace, Love and Happiness be yours throughout your life.

Miss Sylvia Evans

Mr. Mullins attended V.P.I. where he received his B.S. and M.S. degrees in Agricultural Education and Vocational Education.

Principal's Message

The events that accompany the approaching end of another school year are now a part of our busy school life. For more years than any member of our student body can remember, I have worked for the improvement of our school and community. It is not, therefore, strange that a thousand thoughts and an equal number of memories should crowd my mind as I write this message.

I must admit to moments in which I have entertained thoughts of doubt about the extent to which the school was fully meeting the needs of the students it serves. Each of you richly deserves the opportunity to earn a good life for yourself. The function of the school is to provide you with the experiences essential to your success.

My negative thinking fades away as I walk among you and observe the heights of attainment to which you have lifted yourselves. Your displays of knowledge, analytical thinking, and self assurance are adequate proof that your feet have been placed to carry you in the right direction.

To the graduates, I hope this beautiful pictorial record of your last year at Haysi High School will become a cherished possession; to those still in school, may it emphasize the voids in leadership that others must now step forward and fill.

What you can do at Haysi High School as a student may be coming to an end. What you can do for your school is just beginning. Your interest and participation as adult citizens will forever remain essential.

Erdman W. J. Mullins

MR. FINIS McCOY attended East Tennessee State University where he received his B.S. and M.A. degrees in English.

Guidance Message

To the Class of 74

You face the greatest challenge of any graduating group in history. You may well be confused by the inconsistent and contradictory actions of some of those who had an obligation to set you an example and instead have failed you; who exercised authority by the dictum "Do as I say" rather than "Do as I do." You have heard and seen evidence of wrong-doing all the way from the local to the national level. You may well wonder what role you should assume.

I trust and believe that you will be able to distinguish the genuine from hypocrisy, honesty, and integrity from the greed and lust for power and that you will choose the good rather than the evil.

You are a unique human being, created in the image of God. You have intelligence and some freedom of choice. Live accordingly; be truthful regardless of the consequences. Be honest though you do not gain immediately by it. Laugh, love, and be merciful. Treat every human being as if he or she were your brother or sister. In the final analysis, you must bear responsibility for your own actions. You cannot justify them by the actions of others.

Assistant Principal's Message

Your efforts have been rewarded with this graduation. Your future success will depend greatly on how well you put to use your preparation thus far. If you plan to go into the world of work, always try to give the most difficult or the simplest task your very best. It is a rare person indeed who is able to get more out of life than he is willing to put into it.

You are going into a cold world, but I am sure you will make it a better place for having been there.

It has been an honor and a genuine pleasure to work with you seniors this year. I can only hope I contributed to a pleasant year for you. It has been gratifying to me to work with you.

May the Divine Master shower his blessings upon you all the way through life.

Finis McCoy

It is not too late to build a better world. The task is great. You can do it!

Every part of nature teaches that the passing away of one life is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.

Message

With great pride I would like to congratulate the 1973 football team on having one of the best records in the history of football here at Haysi. We cannot rest on our past; our juniors and sophomores must dedicate themselves to being better and improving our record next year.

In closing I would like to thank the seniors for their participation and leadership and wish them the best of luck in their future.

Robin Powers

Robin is the daughter of Mr. and Mrs. Dewey Powers. She is a member of the Beta Club and is President of the Senior class.

She has no favorite when it comes to sports; she loves them all.

After graduation she plans to get a job and go to work. Robin says, "The best times I've had have been here at H.H.S. . . . I'm sure I'll really miss it when I leave, but I'll have my memories to look back on."

Key Club Sweetheart

VICKIE FULLER

Each year some lucky girl is selected by the Key Club to be their Sweetheart. This year their Sweetheart is Vickie. She is an attractive, intelligent senior with a wonderful personality. Vickie is a member of the 4-H Club and is also treasurer of the Future Business Leaders of America.

FHA Queen And Princess

SANDRA EDWARDS
AND
SUE SUTHERLAND

Each year the FHA Club members select a Queen and Princess to represent their club. They are chosen on the basis of interest and activities in FHA, grades in Home Economics, looks and personality. This year a very good selection was made when the members chose Sandra Edwards as Queen and Sue Sutherland as Princess. They will reign throughout the year and take part in parades and other activities as representatives of the FHA Club.

We were talking - about the space
between us all
And the people - who hide themselves
behind a wall of illusion
Never glimpse the truth - then it's far
too late - when they pass away.
We were talking - about the love we all
could share - when we find it
To try our best to hold it there - with
our love
With our love - we could save the world
- if they only knew.
Try to realize it's all within yourself
no-one else can make you change
And to see you're really only very small,
and life flows on within you and without
you.
We were talking - about the love that's
gone so cold and the people
Who gain the world and lose their soul -
they don't know - they can't see - are you
you one of them?
When you've seen beyond yourself
then you may find, peace of mind, is
waiting there -
And the time will come when you will see
we're all one, and life flows on within
you and without you.

hey,
have a real nice
fall and I'll en-
joy going to school
with you. See you
next year.

Ton4, To a nice
guy + class-
mate. Bad Luck
I'll all need it. We've had
Some great times in our
Classes I will sink the 1st grade. Rem.
me as I will you.
